BAL KRISHNA THAPA CHHETRI

I am a junior developer on the verge of graduating from Business College Helsinki, Full-Stack developer program. I am eager to learn and have a good understanding capability and problem-solving capacity, making me a fit for a Developer candidate.

KOULUTUS JA PÄTEVYYDET

- elo 2015 - heinä 2018 **Bachelor of Business Administration, Business Management**
Centria University of Applied Sciences, Kokkola, Finland.
I have a great opportunity to learn about Economics, Business ethics, and Business ideas. Also, got acquainted with Business Accounting, Business Cultures, and Finance. At the completion drafted a thesis about Green Business and its significance in the present scenario.
- tammi 2023 - touko 2024 **Tieto- ja viestintätekniikan perustutkinto**
Business College Helsinki, Helsinki
Currently, In Business College I am a Full Stack Developer Student. I have learned HTML, CSS, javascript, React, Redux, Basic PHP, Symfony, and Drupal. Similarly, on the testing side, I have the basic know-how of Mocha/Chai and Jest. I can use Figma as a UI/UX design tool and Trello as a work management tool.
